

Vestis Systems' Services

Aluminum Canopies

Our extruded aluminum canopy systems offer a wide variety of commercial applications and offer an aesthetic look to your building.

Louvered Sunshades

Louvered Sunshades are an energy-efficient solution to filtering the glaring rays of the sun without sacrificing the luxury of natural light in your building. While drastically reducing energy consumption, louvered sunshades provide a unique look to your building.

Retractable Awnings

Our Retractable Awnings allow you to enjoy sun when you want it and shade when you don't, with just the touch of the button.

Fabric Awnings

Our Fabric Awnings are designed and built with sturdy aluminum frames that can be covered with your choice of fabric or vinyl materials. We have hundreds of patterns to choose from.
